LEFT: A little magenta goes a long way—as in these two silk pillows from **NGALA TRADING** with feather-and-down fill to ensure long-lasting coziness. ngalatrading.com

ABOVE: Purple and magenta PVC strips, accented with Swarovski crystals, descend from the base of the Fan pendant by **LIGHTOLOGY** in an avant-garde profusion of color. lightology.com

viva magenta!

GO FOR THE BOLD. PANTONE'S COLOR OF THE YEAR DOESN'T HOLD BACK

LEFT: Seduction would have been a better name for the Deluxe settee by **JET CLASS**, a sofa that exudes romance. jetclass.pt

BELOW: The Tropicale Black pattern from the Signature collection of fabrics by **BASSETT MCNAB** features a sprinkling of magenta blooms amid other less color-forward botanicals. bassettmcnab.com

ABOVE: The glam deco silhouette and vibrant shade of the Charisma Channel armchair by **MODWAY** add retro-modern style to any space. modway.com

RIGHT: Magenta and mod are a hard combination to beat in the Monolithic sideboard by **ROYAL STRANGER**. royalstranger.com
