Looks of LOVELY LIBERTY

With a recital of fireworks, the most patriotic time of year arrives in the midst of summer's golden warmth. Celebrate the season with selections of red, white, and blue.

Our patriotic tableau is bedecked in a myriad of patterns to accompany Independence Day's quintessential Stars and Stripes. Pickard porcelain in the holiday's color scheme rests atop Bodrum place mats; linens from the same maker find a pop of whimsy in Mode Living's napkin rings and Starry Night table runner. Summertime blossoms display beautifully in bud vases and a Scalamandre planter, while Artifacts Trading Company rattan flatware and Scents & Scented candles create textural counterbalance.

Clockwise from above: Basking in the golden aura of July, a picnic on the lawn is an idyllic afternoon affair. Lounge against a Donna Sharp quilt and Morocco Harbor pillows in whimsical prints while indulging in seasonal selections toted in a Williams Sonoma picnic basket and refreshments in a Blue Pheasant wine caddy. Stout Textiles wallpaper sets a stage for elegant baubles by Capucine de Wulf, perfect for accessorizing summery outfits. Star Spangled Tea fills the cup with patriotic blends. Opposite: Prepare for a day on the water while sporting a Buldano coverup and Oka-B footwear, stowing the day's essentials in fashionable bags from Luzia Collection.
